

CERTIFICATES

Certificates provide curricular options that complement current departmental and interdisciplinary majors. They are designed to bring coherence to programs of study that include courses from many departments and programs. For each program, model curricula are provided to guide students in their choice of courses. Wesleyan currently has twelve certificate programs in place.

- Certificate in Applied Data Science (<https://catalog.wesleyan.edu/certificates/applied-data-science/>)
- Certificate in Social, Cultural, and Critical Theory (<https://catalog.wesleyan.edu/certificates/social-cultural-critical-theory/>)
- Certificate in Writing (<https://catalog.wesleyan.edu/certificates/writing/>)
